**OFFICE OF PETITIONS**

Applicant hereby voluntarily discloses the information listed on the attached Form PTO-1449 to the Commissioner of Patents and Trademarks. Copies of cited references are enclosed herewith.

This disclosure supplements an earlier filed Information Disclosure Statements (IDS). A copy of the references listed on the attached Form PTO-1449 is being submitted and was first cited in a communication from the International Search Authority in a counterpart PCT application not more than three months prior to the filing of this IDS; a certification, as specified in paragraph (e) of 37 CFR 1.97, is enclosed herewith.

Applicant further reserves the right to establish the patentability of the claimed invention over the listed information should it be applied as a reference, and/or to prove that the cited information may not be prior art, and/or to prove that the cited information may not be enabling for the teachings it purports to offer. This statement further should not be construed a

representation that an exhaustive search has been made, or that the information cited herewith is material, or that there does not exist information more material to the examination of the present Application. The Examiner is specifically requested not to rely solely on the information submitted herein. On the contrary, the Examiner is requested to conduct an independent and thorough review of the information, and to form independent opinions as to their significance.

It is respectfully requested that the Examiner initial and return a copy of the enclosed PTO-1449 and to indicate in the official file wrapper of the above-identified patent application that each item of the cited information has been considered.

Respectfully submitted,
